

## Accessibility

---

This website has been designed to be as accessible as possible to people with disabilities and also to be compatible with the types of adaptive technology used by people with disabilities, including screen readers and text only web browsers.

## Navigating

To navigate through this website please use the menu on the top of the page. You can use the tab key to navigate through the menu links.

## Font sizes

You may change the display font size to your preference using your browser:

- In Internet Explorer, select View, then Text size, and then your preferred size
- In Netscape select View, then Text zoom, and then your preferred percentage size
- Other browsers may vary

## Style sheets

You may import your own style sheet into this website:

- In Internet Explorer select Tools, then Internet options, and then Accessibility. Next click on any or all of three checkboxes to ignore colours, font styles or font sizes. In the same window you can change your style sheet by clicking the checkbox that says, 'format documents using my style sheet' then simply browse to your style sheet and click OK
- In Netscape select Edit, then Preferences and then Appearance. You will then be given the choice to specify your own colours and fonts

## PDFs

We recommend that users download free the latest version of [Adobe® Reader®](#) to view our Adobe PDF files. Visit Adobe for information about their products.

Our aim is to ensure that all our PDFs are accessible. Presently, a small number are still to be revised into fully accessible versions. For further information please [contact us](#).
